## **Statement re: Share Price Movement**

The directors of Tavistock Investments Plc ("Tavistock" or "Company") note the recent rise in the Company's share price and confirm that they are currently concluding a placing at a discount to the current share price to provide additional working capital to Tavistock in order to progress its acquisition and investment policy. A further announcement regarding the proposed placing will be made in due course but at present the directors know of no other reason for the price increase.
